

BLUE HERON ENVIRONMENTAL

SPRING RUNOFF ARE YOU PREPARED?

We have experienced local Environmental Technicians on hand to assist you with:

- ▶ Site snowpack readings and runoff predictions
- ▶ Round-the-Clock inspections (e.g ditches, culverts, water levels, etc.)
- ▶ Treatment plan oversight and operation
- ▶ Freshet prediction modeling
- ▶ Water management/treatment pond sampling

- ▶ Stormwater control sampling
- ▶ Pond elevation monitoring
- ▶ Treatment plant supplies/reagent monitoring
- ▶ Regulatory reporting
- ▶ Emergency spill prevention and response services (including spill response equipment and materials)
