

BLUE HERON ENVIRONMENTAL

COMPLIANCE SUPPORT FOR **AGGREGATE PITS & QUARRIES**

**A SOUND STRATEGY
CAN HELP YOU AVOID
COSTLY DELAYS**

Establishing a new pit or quarry in Ontario can be both challenging and complex. Whether on private or public land, the maze of approvals and permits needed for a pit, quarry, or wayside can be overwhelming. Blue Heron offers a diverse team of professionals that can help aggregate operators navigate the process.

Whether you are prospecting for a new aggregate source, or looking to get your current sources into compliance with the Aggregate Resources Act, we can help!
